ENJOY IT!

Every Minute Counts ... Enjoy It!

This year's yearbook theme, "Every Minute Counts ... Enjoy It!" was chosen by our staff for many reasons. Our staff agrees that life is precious, and that every minute does count. College is a time in which we students become especially conscious of time, as we learn to manage a variety of tasks and commitments in a limited time frame. On a higher level, we learn to value our time, both that we spend pursuing our academic goals, as well as the enjoyable time spent with our friends. From a student's perspective, freshmen begin enjoying the new start of their "college experience," while sophomores look towards the enjoyment that the future will bring. As you browse through this yearbook it will become evident just how many people are trying to make every minute count ... and enjoy it!

Parents' Weekend

Parents' Weekend

"It was fun for my parents and I to visit, and for them to meet my friends and see my dorm room."

Carolyn Schmidt, freshman

museum on campus. Finally, the perfect end to a perfect day was watching the play Marvin's Room, a production given by Lincoln College's Theater Department. The following day, parents and students wrapped up the weekend with tearful goodbyes.

Students know that when mid-semester grades get sent out, it is nearing time for parents' weekend. On October 21st-23rd, parents traveled to LC to visit their children and to see the sites of the campus.

The college sponsored a variety of events for parents to attend. The day began by meeting teachers and advisors. Throughout the day, parents could be found watching the women's basketball team scrimmage on the court, viewing the men's soccer team on the field, or visiting the

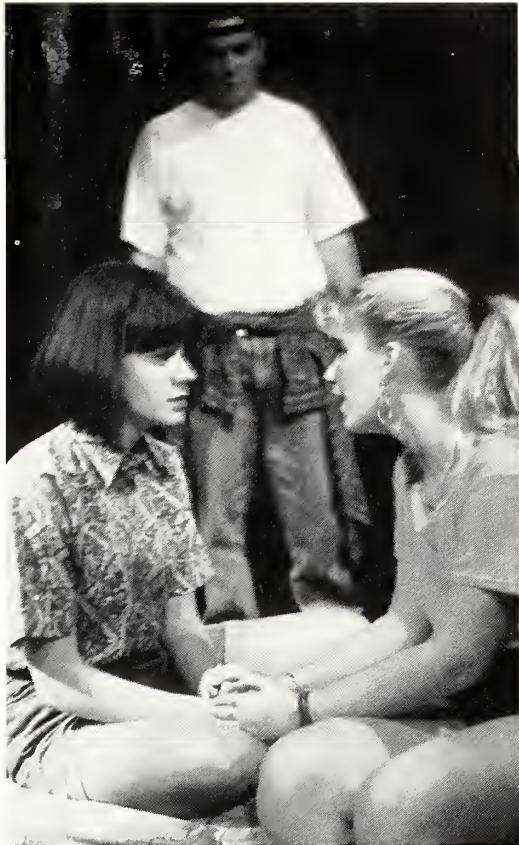

Plays

The Theatre Department performed three talented productions over the 1994-95 season. To highlight parent's weekend, October 21st-23rd, our Theatre Department performed the play *Marvin's Room*. The play concerns a family that was going through some troubled times. The story reflects the desperate struggles of a family as they discover that one of their loved ones needs a transplant. Directed by Jerry Dellinger, the play was a complete success. Later in the year, the second play was performed in the Johnston Center from February 23rd-26th. This play, entitled *Night Watch*, was directed by Concetta R. Dilillo. This play was about a woman who sees someone kill a man next door to her house. However, her husband tells her that she is crazy, while all the while trying to get rid of her to be with his mistress. The third play, entitled *Blithe Spirit*, was directed by Jerry Dillenger, and delighted audiences for its April performances. All three plays included talented performers within LC's Theatre Department.

Plays

Express

The Lincoln College Express had another superb, yet busy year. The group traveled 6,000 miles and presented 32 shows, including their performances at Disney World, Busch Gardens and Epcott Center in Florida.

Under the able direction of director, Bill Buffington, the 22 member group share fond memories of their success. Express members were the following: Patrick Bales, Darryl Davis, Jennifer Franz, Brian Gary, Josh Hackett, Jonathon Hale, Adam Hawkins, Jamie Henderson, Danielle Krippel, Julie Notoriano, Vanessa Ruge, Jayna Simmerman, Craig Smith, Tony Verastique, Helen Williams, Christine Zilly, Kristi Burzynski, Nathan Conley, Adam Phillips, Jorge Ramirez, Brian Schmidt, and Kenneth Reese.

Chorale

Chorale

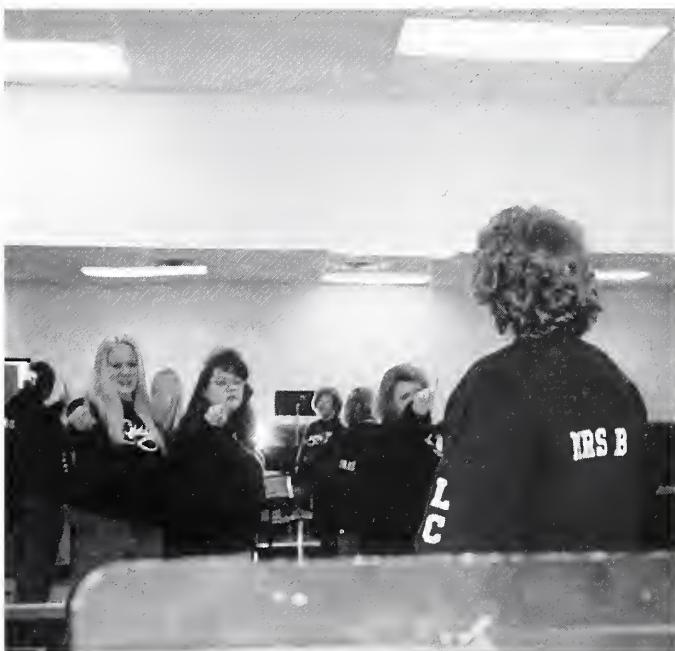

LC's thirty-two member Chorale, under the able direction of Bill Buffington, (or better known as "Mr. B."), kept quite busy throughout the 1994-1995 year, performing their usual four concerts for the public. They performed a fall concert, charter day, spring concert, and a winter concert. In order for the members to sing so beautifully, this talented group practiced a minimum of three hours a week.

Sophistikatz

Sophistikatz

The Sophistikatz are an energetic and talented group of singers headed by Mrs. Buffington. They are very involved in singing at local places in the community, as well as major concerts such as: the fall, winter, and spring concerts. They are a small group, but serve as an inspiration to all who are fortunate enough to hear them perform. The Sophistikatz perform a variety of music, including beautiful show tunes, jazz, spirituals, and love songs.

Dances

"I had a lot of fun at the Hawaiin Luau. I enjoyed getting the lays as I walked in the door. Everything was very authentic and well planned."

Dave Bohman, freshman

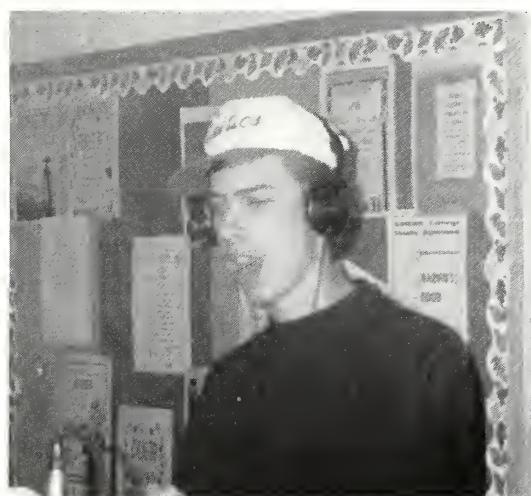

Throughout the year the Student Senate sponsors various dances for the students to enjoy. The year began with a few twists and turns, and that is just what everyone was doing at the Hawaiin Luau Dance. The Hawaiian Luau was exceptionally well planned. Many students commented that they felt as if they were in the tropics. There were palm trees and a moonlit background which contributed to the mood for the dance. In addition, non-

alcoholic, tropical mixed drinks were provided. Eventually, the night had to come to an end, but the halloween dance was right around the corner.

The Halloween dance seemed to have brought out the scariest of all creatures. The night was filled with laughter, dancing, and socializing with friends. There was also a costume contest including the following categories: creepiest, funniest, or scariest.

Immediately following the Halloween Dance, the Student Senate began planning the Country Western Dance. Students arrived dressed for the occasion, sporting their cowboy boots and country western attire. Everyone had a ho down good time!

Student Senate

Student Senate

"The Student Senate has gotten me involved in aspects of the school that I might not otherwise have had an opportunity to participate in. Although some of it was hard work, we always had fun together."

Jason Cole, freshman

Student Senate has, over the years, remained actively involved in representing the college and sponsoring activities that students can look forward to. They began the year with a Halloween Dance, followed by a Hawaiian Luau, Country Western dance and finally the Spring Formal. In addition to the extensive planning and preparation for all of the dances, they were also involved in many

community activities, including the Special Olympics, Cancer Society, the Christmas Giving Tree, and the annual Lincoln College Blood Drive.

Student Senate 1994-95 officers were as follows: Denise McFarland, President; Kara Vaveris, Sophomore President; Stacy Reece, Sophomore Vice-President; Roberta Wilking, Secretary; Dawn Smiley, Freshman President; Shannon Heberling, Freshman Vice-President.

R. Hall Council

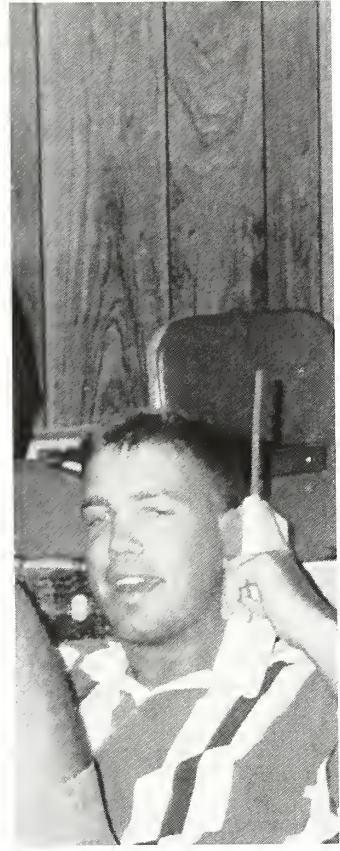

Throughout the year, many dedicated individuals served as Residence Hall Counselors and Residence Assistants. Those who held these positions also assumed a great deal of responsibility.

The responsibilities of the Residence Hall Counselors include monitoring of the dormitories, planning and implementing programs, enforcing campus policies and regulations, and responding to student concerns. Residence Assistants work under the guidance and support of the R.H.C.'s, and assist them in reporting violations and maintaining consistency

within the dorms. This year's staff report having a great year all around!

Residence Hall Counselors for the year were Bob Turley, Bryan Smith, Paula Clifton, and Terri Finn. The following individuals served as Residence Assistants: Chris Hoekstra, Ryan Lakin, Ben Eicher, Stacy Synder, Rachel Hall, Eric Mueller, Jason Levitt, Daryl Davis, Brian Krzyssiak, Kara Vaveris, Angie Lyons, Denise McFarland, Nicole Ordogne, Tony Thomas, Kathleen Parker, and Cari Volk.

Radio

"It is a good way to open up and become a better speaker."

Tammie Dullum, freshman

This year Lincoln College's radio station, WLNX, 88.9, has been jam-packed with new ideas. This past summer, Loyd Kirby, manager, welcomed a new computer system to the station. This made the deejays' jobs much easier.

The station is run by LC students, and overseen by Mr. Kirby. WLNX gains recognition from the campus, as well as the community. The station plays a variety of music, both new and old, allowing student deejays to practice their broadcasting skills. Deejays accomplished many exciting

things during the year, including live coverage of the men's and ladies' basketball games.

Throughout the year, students gain experience in managerial positions. The 1994-95 positions held were the following: sports manager: Dave Bohman; music director: first semester, Kari Moulds, second semester, Jason Cole; station manager: Melody Rogers.

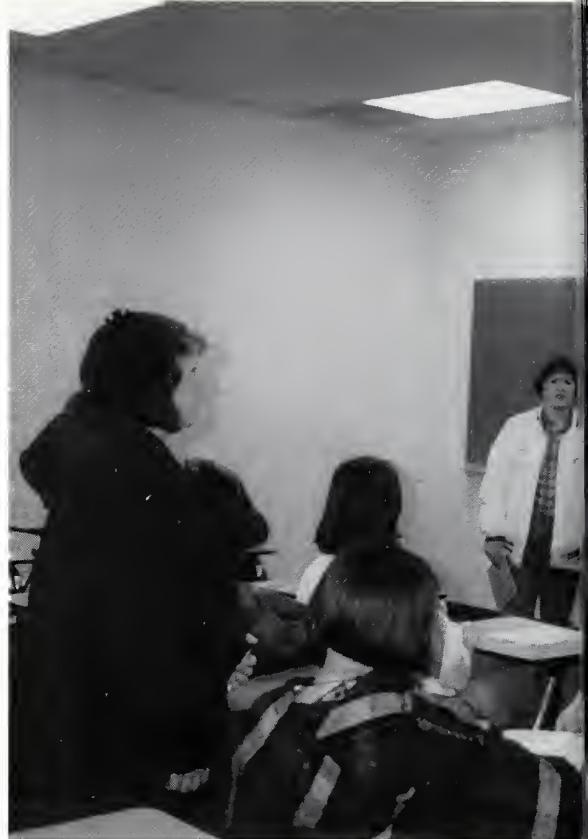

Emancipator

"Writing for the newspaper was sometimes time consuming. However, it was an interesting job to hold."

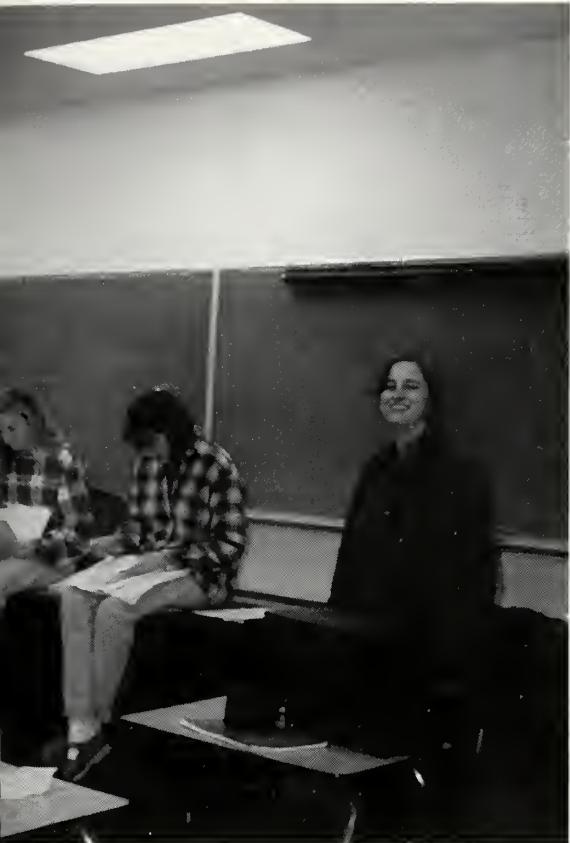

Tracey Gale, freshman

The newspaper staff, sponsored by Cindy Greene, strived to put together a newspaper that would cover important campus issues, as well as topics of interest to the Lincoln Community. The staff was responsible for researching and gathering news and preparing the written articles, utilizing print media methods and organizational styles. The talented and aggressive staff members worked well together to achieve their goal of getting the Emancipator printed.

Yearbook

Yearbook

"Working together with the staff, and being a co-editor was an exciting experience."

Suzanne Lahr, freshman

The yearbook staff, under new direction by Cindy Greene, worked diligently to piece together the 1994-95 yearbook. The staff began by choosing two co-editors, Tracey Gale and Suzanne Lahr. Several additional positions were held by the following energetic staff members: Tammie Dullum, photo editor; and LaTisha Ballenger and Dee Dunwoody, sports co-editors. John Nottger acted as editor of campus life.

One of the most difficult decisions facing the staff was the choosing of this year's theme.

After much thought, the staff unanimously chose the theme, "Every Minute Counts . . . Enjoy It!" The yearbook staff combined their time and efforts throughout the year to bring to print a yearbook they could be proud of.

The Lincoln College volleyball team had a successful 1994-95 season. The team ended with a great record of 31 wins and 14 losses. The Lady Lynx played four tournaments throughout the course of the year and came away with three first place trophies.

Melissa Bridges was named to the All-Tournaments Team, while Sheree Bruns earned the award as the most Valuable Player of the first tournament. The Lady Lynx also claimed victories from Lakeland, Mineral Area, and Kaskasia to give them their second tournament win. The third tournament of the year was held at Carl Sandburg, and left the volleyball team on top. The team was also able to hold second place at home at the Lincoln College Tournament. A memorable highlight of the season was the first game, a tight match ending with a win over IVCC. Despite not winning as many games as the team would have liked, they still played hard, and had a memorable season. The final contest of the year was the Sectional Tournament. The Lynx played Lakeland, whom they had just lost to the week prior. In a well-played and hardfought five game match, Lincoln College came out victoriously. This big win put the Lady Lynx against the number one seed: ICC. Although, the team played a fantastic match, ICC's "big guns" were just too much.

Volleyball

Volleyball

The 1994 Lynx Soccer team ended the season with a record of 11 wins and 8 losses. Highlights of the season will surely remain with the players and fans for years to come. The first highlight was winning first place in the third annual Patrick Classic Tournament. The Lynx defeated Kishwaukee Community College 7-1 in the championship game. In addition to this, the Lynx had four players who made the All-Tournament team.

The team encountered some minor set backs during the middle of the season, facing four nationally ranked teams, as well as suffering some minor injuries to key players. However, the team managed to win 4 of the final 5 games of the season. As a team, the Lynx broke two team records, and had the second highest number of wins since 1973.

The season concluded honoring Chris Buscher, most valuable attacker; Mickey Oxchard, most valuable defender; and Jamie Johnson, most improved player.

The Lincoln College golf team had an exceptional year in the 1994-95 season. Team captains, Jon Duft and Jim Olt, helped lead the team to success. The Lynx captured first place at the College of Dupage invitational, and had a medalist, Jon Duft. Other memorable moments included Jim Olt's signing of a national letter of intent to attend NCAA Division I school, Tennessee Martin. The team captured the Region XXIV Division I championship with pride, and ended the season with a record of 85-20.

Golf

Considering that 1994-95 presented only the second year for women's golf at L.C., the team performed fabulously. Since L.C. is the only junior college in Illinois with women's golf, all matches and tournaments were played against 4-year schools.

The season brought with it many highlights. Jennifer Clinton set a new record for low score by a woman golfer, and also won medalist honors in a dual match with Eureka College. Additionally, Debbie Lamb placed 3rd and Jennifer Clinton placed 5th at the Eureka Invitational. Jennifer Clinton also finished 3rd at the DePauw University Invitational. These and many other memorable moments contributed to a great golfing season for the Lynx.

Ladies' Golf

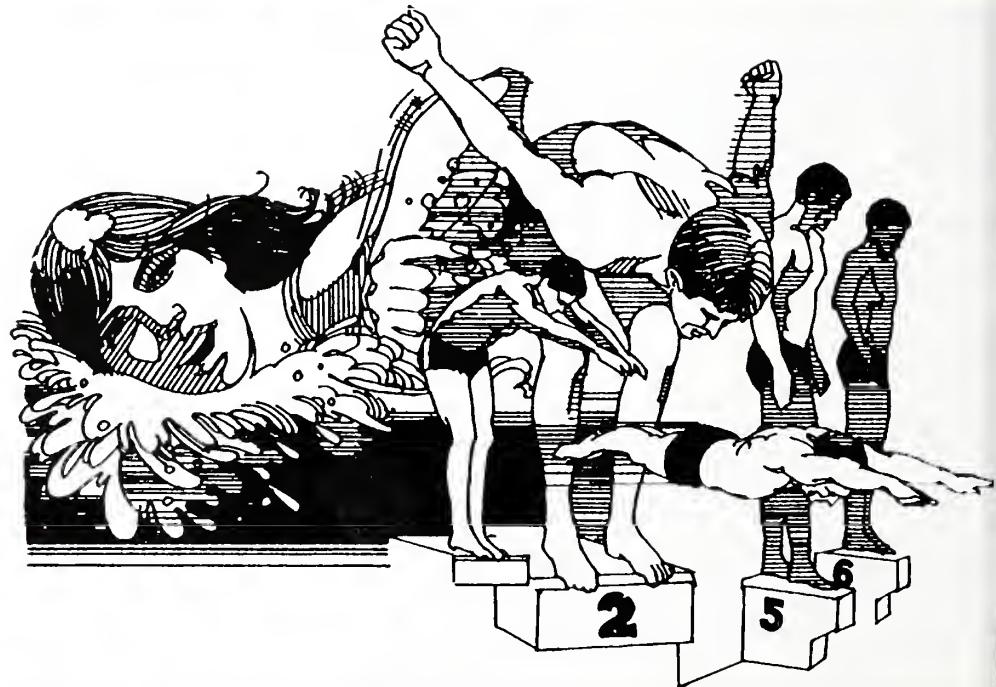

Ladies' Golf

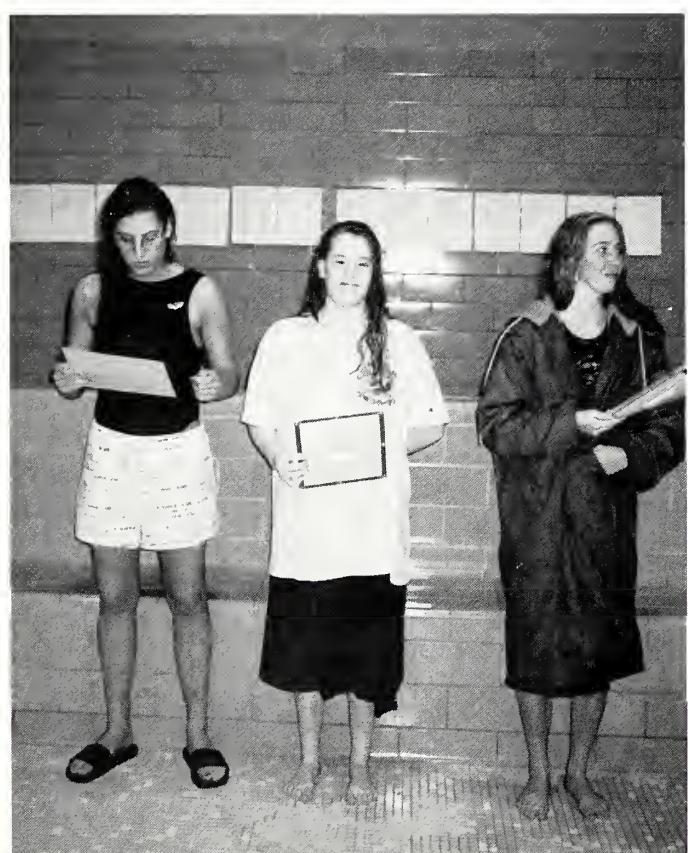

The swimming and diving team had an exceptional season this year. The men's team finished 1st at the Region IV championships. In addition, the team took second place at the Illinois Wesleyan Invitational, 4th place at the Illinois Collegiate, and finished 4th at Nationals, with 25 All-American swims.

Among the season's highlights were Eric Mueller, 7-time All-American, taking 1st place in Regionals and Nationals for the 100 meter breast stroke, and 2nd place at Nationals for the 200 meter breast stroke. Jason Minner also had a memorable season, taking 1st place at Nationals in both the 1 meter and 3 meter diving competition, and receiving NJCAA Diver of The Year. Minner also set a total of 4 meet records throughout the year, and holds the Lincoln College records for both 1 meter and 3 meter diving.

Swimming for the women's team, Molly McConnel was named Regional champion in the 200 meter and the 200 fly, and was named All American in the 200 fly. Marie Nastasowski was named Regional Champion in the 200 meter breast stroke.

Swimming and Diving

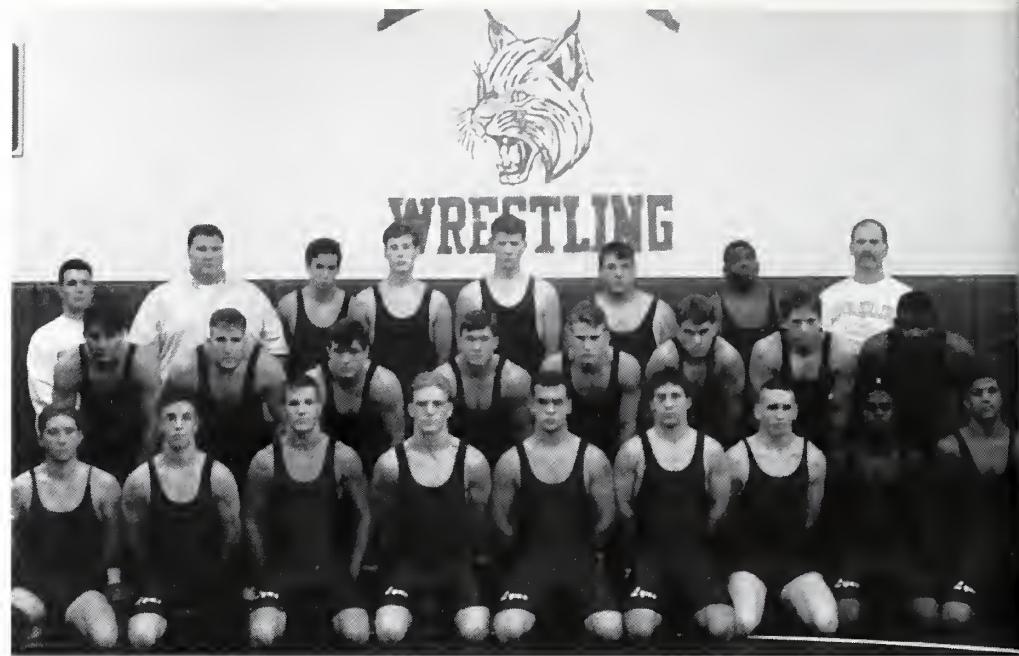

Swimming and Diving

The wrestling team, headed by coach Dave Klemm, ended their 1994-95 season with a proud record of 11-5. The Lynx posted victories throughout the year, highlighted by wins against nationally ranked Labette College of Parsons, Kansas, and Harper College of Platine, Illinois. The season ended with 7 wrestlers qualifying for nationals, which were held in Bismark, North Dakota.

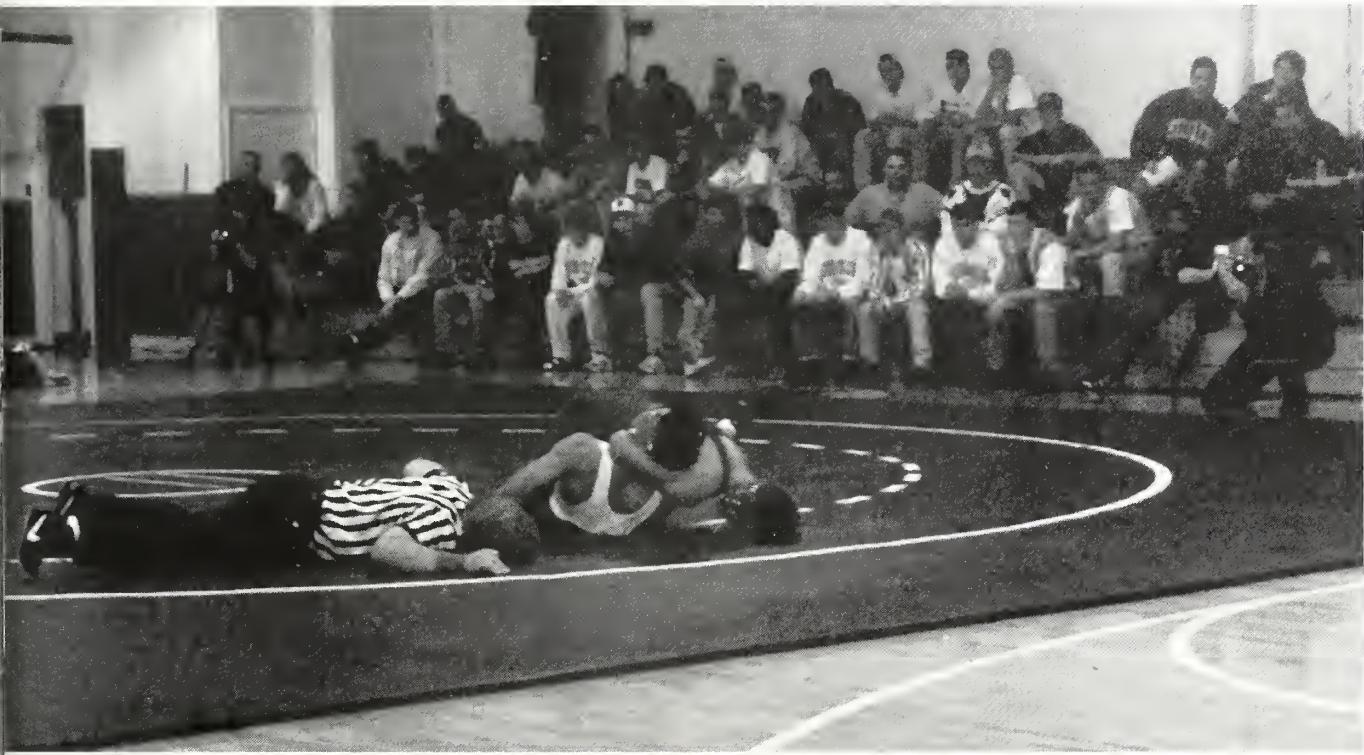

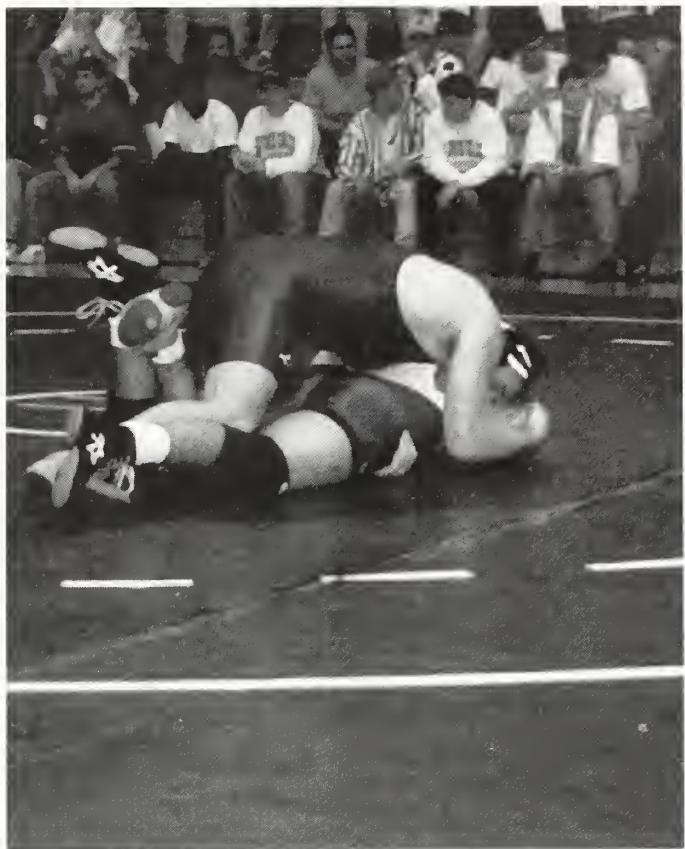

The following team members were among those attending the national competition: Antonio Sims (25-13) at 118, Chad Red (18-7) at 126, Mark Hughes (17-3) at 150, Matt Hughes (37-4) at 158, Marc Fiore (9-16) at 167, Demarco Suggs (29-8) at 190, and heavyweight Fate Echols (17-15).

The team finished the season with a Regional team title and a ninth place finish in the nation. The following four wrestlers earned All-American honors:

Chad Red, eighth in the nation; **Mark Hughes**, fifth in the nation; **Matt Hughes**, third in the nation; and **Demarco Suggs**, third in the nation.

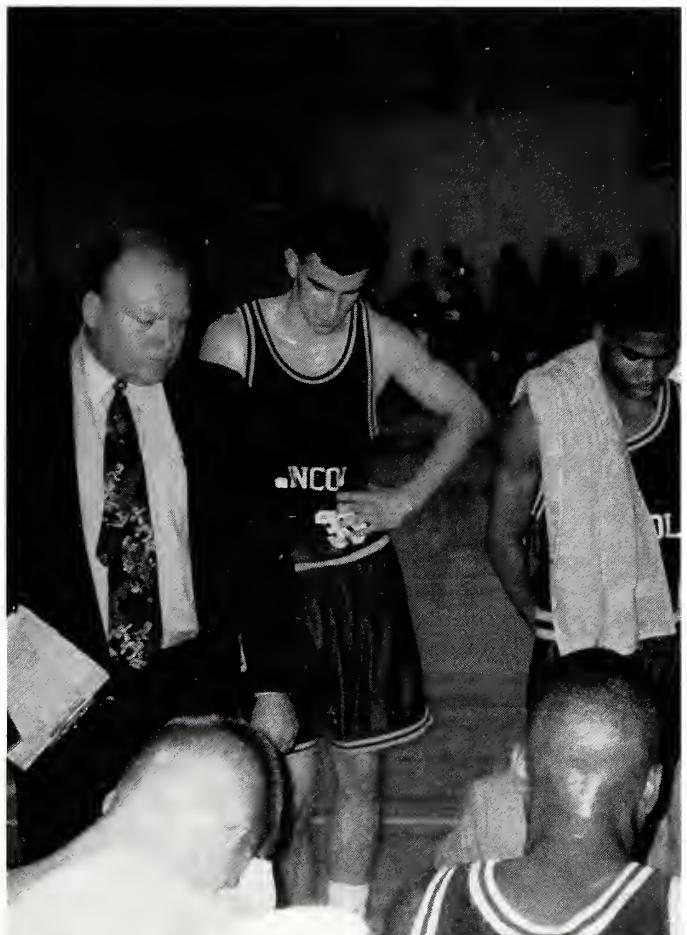

Wrestling

The basketball team experienced a great season in the 1994-95 year. In the beginning, it took them about 2 months to synchronize their talents. However, once everything was in place, they were unstoppable. Early in the season, they played a fourth ranked team, Indian Hill, and won 57-55. They also took a win over John A. Logan, a team ranked in the top 20. By Christmas, the team had a record of 8-7. However, during the final half of the season, the Lynx were faced with some of the toughest teams in the Midwest, yet seemed to keep coming out on top. The team finished the season with a proud record of 21-10.

Men's Basketball

Basketball

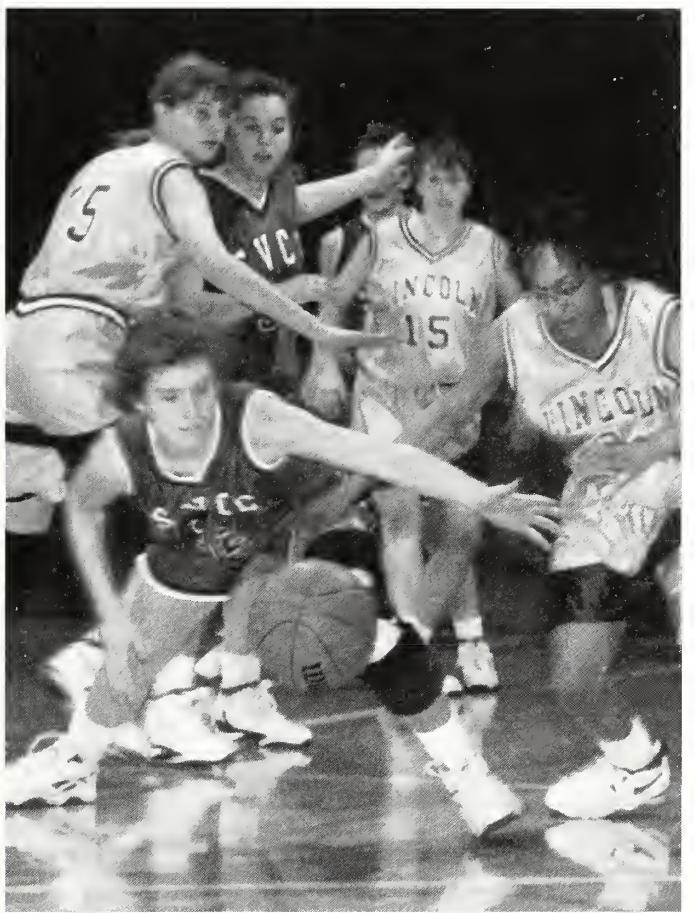

The 1994-95 women's basketball season was quite successful. The Lady Lynx concluded the year with 24 wins and only 8 losses. They finished in second place in the competitive Region 24, losing to John A. Logan. Other accomplishments included winning the Highland Tournament and the Black Hawk East Tournament. Also, the Lynx defeated rival Illinois Central College, 85-75, in Peoria. This event marked the first time in Lady Lynx basketball history that the Cougars were beat on their floor.

The season also included some memorable individual accomplishments. Freshman Brenda Atwater was the MVP of the Black Hawk East Tournament, and sophomore La Toya Doage was on the All-Tournament Team at BHE. Also, La Toya Doage and La Toya Johnson were selected All-Region Players for Region 24, and were both placed on the Region 24 All-Tournament Team. La Toya Johnson earned All-American Honorable mention for her 22.8 ppg. and 14.1 rebounds per game. Amanda Smith and La Toya Johnson served as team captains.

Coach Vicki Vaughan states, "This team had a remarkable season. They worked extremely hard, and finally earned the respect they deserved." The 1994-95 season marked the second consecutive 20-win season for Lady Lynx basketball. The team ended the season ranked 17th, officially recognizing the program as one of the best in the country.

Lady Lynx Basketball

Lady Lynx Basketball

The Lynx baseball team ended their season with a record of 18-23. Head coach, Tony Thomas states, "We worked together as a unit. We were a very determined team." Mike Powers served as assistant coach of the team, and team captains were Travis Bradley, Jeff Lane, and Doug Williams.

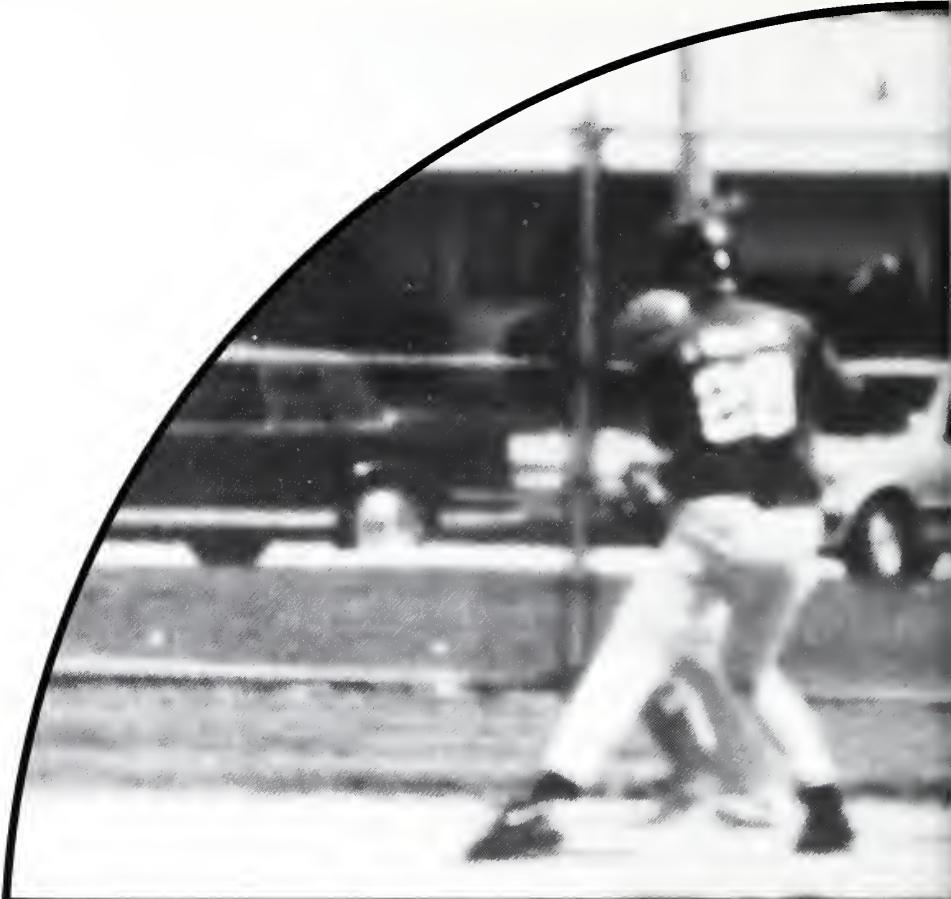

Individual honors went to Jeff Miller, with the best batting average of .343. John Homan was named best pitcher with a 3-0 record, and an ERA of 2.87. Team highlights of the season included big wins over Tallahassee, Florida, Parkland College, and Olney Central College.

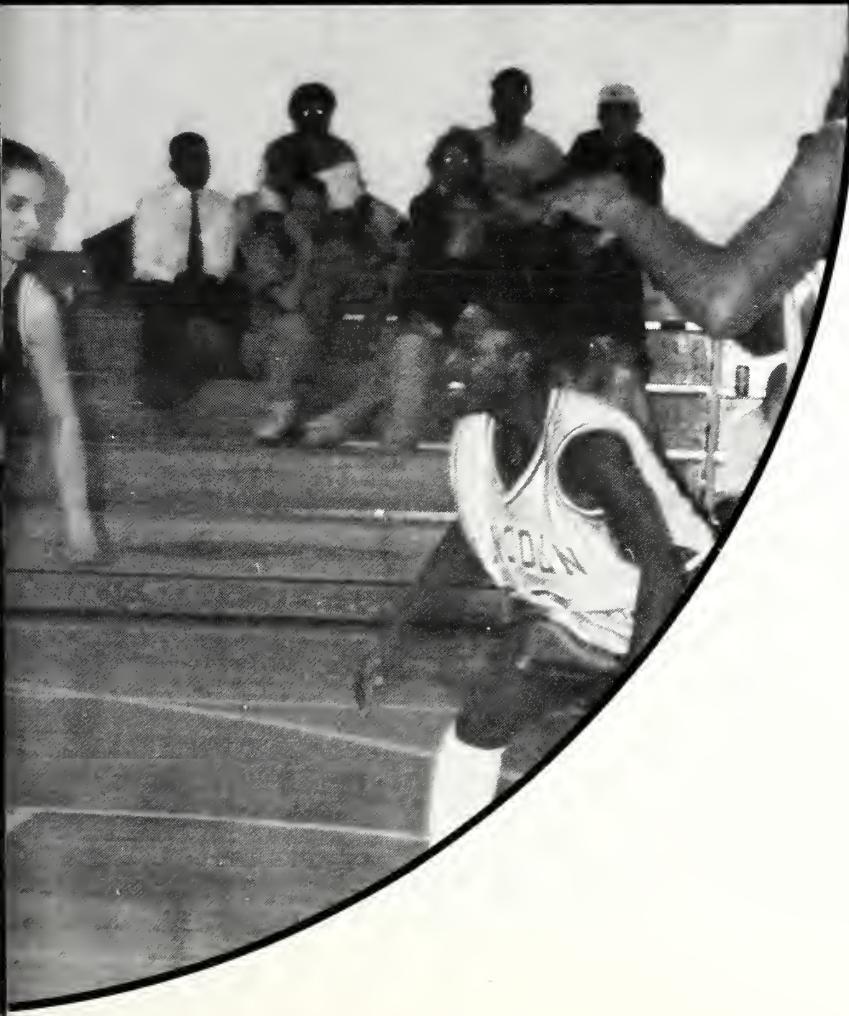

Baseball

Baseball

The 1994-95 cheerleading squad, advised by Kelly Aysworth, creatively accomplished their goal of entertaining the crowds, as well as boosting spirit and morale. They kept the energy at a high for both the players and spectators as they cheered on the Lynx. They even sponsored a memorable "bat spinning" contest to encourage crowd participation.

In addition to cheering, the squad also performed four dance routines, one at an away game in Iowa, and three on the home court. The squad was visited by the Eastern Tumblers, from Mt. Pulaski High School, who also performed at a Lynx game. The squad did an outstanding job with each performance.

Captain for the season was Michelle Curly, assisted by co-captain, Mandy Barcona.

Dooley Hall

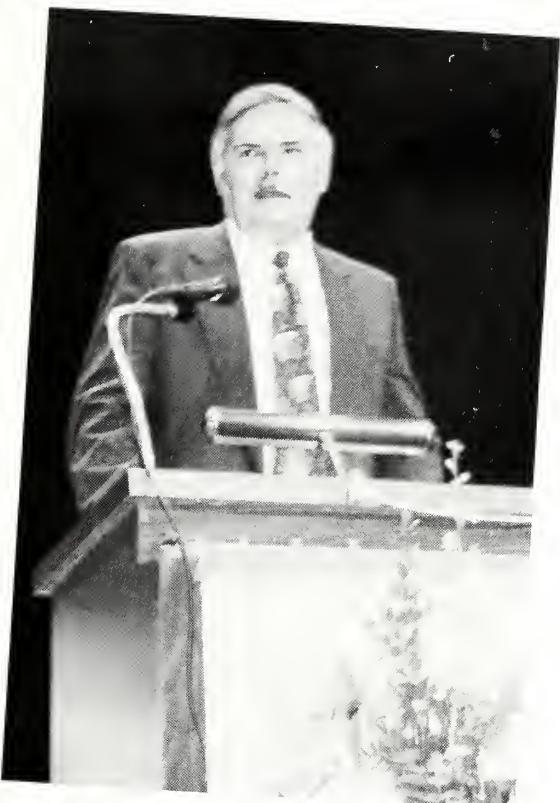

LC's new addition to campus, Dooley Hall, was dedicated to Raymond and Florence Dooley. The Dooleys served Lincoln College from 1948 until 1971, Raymond as its President, and Florence as Director of Admissions. Under their direction, the college defined its' mission, enlarged its' campus and increased endowment. Those who came after are thankful for their vision and dedication.

Dooley Hall houses 8 new classrooms and 6 faculty offices, and has proven to be a welcome addition to the campus.

The Year's Happenings

Woodstock

The torch was passed in the summer of 1994. After hearing about the legendary rock festival from their parents for years, a new generation seized the opportunity to create their own Woodstock, thus Woodstock '94 was born. Several hundred thousand people arrived at Saugerties, N.Y. for Woodstock '94. From

folk music to heavy metal, the weekend concert was filled with music nearly 24 hours a day.

O. J. Simpson

It was referred to as the trial of the century. The trial of football hero, O.J. Simpson. He was accused of brutally murdering his ex-wife, Nicole Brown Simpson, and her friend, Ronald Goldman. Public interest in the case skyrocketed to the point where the preliminary hearing, as well as the lengthy trial to follow, were televised nationally. Simpson put together an

expensive "dream team" of lawyers, lead by Robert Shapiro. On the prosecution side, prosecutor, Marcia Clark, represented the district attorney's office.

Baseball

The professional baseball season ended early in 1994. The players went on strike in August, and a month later the owners voted to cancel the remainder of the regular season, including the playoffs and the World Series. It was the eighth strike in 23 seasons. The dispute centered on the owners' demand to create cost con-

trols through a salary cap. The players wouldn't accept the cap, and went on strike. It was the first time since 1904 that the World Series, which had survived world wars and an earthquake since its inception in 1903, was not played.
